Access

Open Labs are times when individuals may explore augmentative communication devices, software and computer access equipment. During open labs there will be no formal assessments or recommendations. If you are not able to receive the individual time or specific equipment preview that meets your needs you will be able to make an individual lab appointment at our San Diego Center.

North County Open Labs will now be by appointment only.

Call 858-278-5420 extension 120 or 121 to make your appointment.

Please call at least 3 working days prior to the Open Lab date to make your appointment. Appointments cannot be scheduled on the day of the Open Lab.
